THE AFFECTS OF PORNOGRAPHY

Media and society around us promote it and minimizes its impact. But what's the truth about pornography? What is its impact on the brain, the heart, relationships, and our faith? Perhaps you know very little about the far reaching impact and affects pornography has on children through adults. But knowledge leads to understanding so there is an informal evening of learning together at Calvary Bible Fellowship Church (Coopersburg) on Monday, October 15 at 7 pm. Come and hear the testimony of a young woman who grew up in the church and struggled with this addiction.
